Excellent Iron Works,
Foot of Fourteenth St., East River, Feb. 23, 1907.

On the 16th of last December seeves from outdors left our employment by order of the Moulders' Union, and we have supplied their places by first class workmen, who do not belong to the union. We have proceeded with the execution of our orders with entire success, easiling very day. The strikers, by order of the union remain in the vicinity of our works to prevent persons from entering our employment, although we pay the full rate of wages. Two of them were arrested by the police for disorderly conduct and two others for threatening the life of our gatekeeper, a soldier, who lost an arm at Getlysburg. Last Friday night four of the mea employed at our works were attacked on board of a Brook lyn ferry boat; one man was severely injured, being struck on the head with an iron jimmy, and an attempt was made to throw him, overloard. Two of these rullatus, named George Whitlock and Owen Clark, were promptly arrested and fully committed by Justice Section, of Essex Market. Our gram has been in successful operation for thirty-one years, and we do not intend now to be governed by a irresponsible body of men. We will employ whom we please, and will protect them in their rights. This plain statement of facis we respectfully submit to the public.

A RABIAN STALLION FOR SALE.—THE PURE A Arabian Horse SAID is for sale on reasonable terms as his present owner has no use for him. To breeders he will be a most valuable acquisition. The following pedigree give the purity of his blood, with other interesting facts relating to his career: to his career:

All (also spelled Sayed), as given by the groom of Nubar Pasha, Minister to France from Egypt, was fooled on the 37th of March, 1884, at the stables of Nubar Pasha. His sire was the famous Khorasean, the property of Abdul Medjid. Said's dam was Objan, the property of Nubar Pasha, and is the descendant of the Gelebrated Janivara, which leaped the citadel walls with the last Mameluke Bey when fleeting from Mahomed All in 1819. Therefore, Said is a creat between the Manomed All in 1818. Therefore, Said is a cross between the nedfid breed on the mother's side and the Anasseh breed on the side of Khorassen.

This grand Arab stallion exhibited wonderful powers of en-durance and speed in the Abysstolan war, being ridden con-stantly by an officer during that campaign.

Said will be exchanged for a fast and improving young trotting horse.
